Itinerary in Detail

**DAY 1: ARUSHA**
Your Tanzania adventure begins as your plane touches down at the Kilimanjaro International Airport an hour outside the city of Arusha. You are met by your friendly guide and transferred to a welcoming guesthouse, you have a chance to enjoy a good night’s sleep. Overnight Lake Duluti Lodge. [Meals on own]

**DAY 2: TARANGIRE NATIONAL PARK**
Drive approximately two hours south to Tarangire National Park, Tanzania’s third largest national park. As the only permanent water source in the region, the Tarangire River draws numerous animals to the park in the July to November dry season including up to 6,000 elephants. A late afternoon game drive gives you a chance to see the great diversity of wildlife including giraffe, buffalo, eland, zebra and predators such as lion, leopard and cheetah who pass beneath the majestic baobab trees which dot the landscape. Your permanent tented camp is strategically located just outside the boundary of Tarangire National Park in a 25,000 acre concession area provided by the local Maasai Community and where it’s possible to go on bush walks with native guides. Each large canvas tent is raised on stilts with hard wood floors, ensuite baths, hot and private verandas with stunning views of Rift Valley Escarpment. Overnight Maramboi Tented Camp. [BLD]

**DAY 3: TARANGIRE NATIONAL PARK, WALKING LAKE MANYARA**
A morning game drive gives you the chance to begin to feel the rhythms of the bush as you watch elephant families shuffling through the brush, learn to tell the difference between impala and Grant’s gazelle, and watch for jackals scavenging the remains of a kill. Your expert guide knows the park well and is always on the lookout for the signs of animal activity. Fortified with a delicious camp lunch, decide to go on a guided walk with Maasai warriors in the savannah learning about their tribe’s traditional values, rituals and daily life or simply relax and enjoy a swim at the lodge overlooking the expansive Lake Manyara shoreline. Overnight Maramboi Tented Camp. [BLD]

**DAY 4: MTO WA MBU VILLAGE & LAKE EYASI**
Visit a Maasai boma to learn about their way of life. The Maasai are known for their elaborate beaded necklaces and you have the chance to try your hand beading under the tutelage of Maasai women from a local beading co-op. Departing Tarangire our next stop is the vibrant market village of Mto Wa Mbu located near the shores of Lake Manyara and featuring a colorful mix of different Tanzanian cultures. Walk with a local guide past village homes, through farms growing various fruits and vegetables and learn about milling rice and zero grazing techniques. Practice haggling in the local market and taste the spicy flavors of a traditional east African meal in the home of our village hosts. Continuing into the Ngorongoro Highlands stop to visit with a Wa Irakw family and learn how to make their traditional drums. Head south towards
Lake Eyasi to find our small permanent tented camp lying amidst a palm and acacia forest on the shores of the lake. Overnight **Kisima Ngeda. [BLD]**

**DAY 5: LAKE EYASI & NGORONGORO HIGHLANDS**

Arise early to spend the morning experiencing the daily life of the WaHadzeb, a tribe of hunter gatherers. Small in stature and speaking in an ancient click dialect, the Bushmen survive by their ability to blend into their surroundings and subsist off the land. Choose to join the men and learn to hunt with a bow and arrow and start a fire or join the women gathering roots, tubers and wild fruit and preparing food. Exploring a way of life vastly different than your own is an unforgettable experience! Leaving the nomadic life of the Bushmen travel to the outer slopes of the Ngorongoro Crater, stopping on the way to visit a local school (when in session) and talk with teachers and students. (School supplies, teaching materials, puzzles, games and sports equipment are always much needed and appreciated gifts. Please ask us for suggestions if interested in making a donation.) After arriving at the Ngorongoro Farmhouse relax with a refreshing swim in the lodge pool before feasting on delicious homemade cuisine featuring fresh vegetables, free range chicken, dairy products and coffee from this working organic farm. Overnight **Ngorongoro Farmhouse. [BLD]**

**DAY 6: NGORONGORO CRATER**

Descend the 2000 foot walls of the Ngorongoro Crater for a day of game viewing inside this World Heritage site. The caldera is home to more than 20,000 animals spread throughout a variety of ecosystems. Mesmerized by the herds of animals, look for the rare black rhinoceros, elephant bulls with enormous tusks, and black-maned lions among the wildebeest, Thomson's gazelles, zebra, reedbuck, monkeys, and baboons. As the animals have little to fear from humans it is often possible to see wildlife quite close up. You may also see local Maasai grazing their cattle along the crater rim. Take time during your picnic lunch to simply soak in the beauty of this memorable scene. Overnight **Ngorongoro Farmhouse. [BLD]**

**DAY 7: SERENGETI NATIONAL PARK**

Leaving the crater highlands you travel to one of the most famous wildlife sanctuaries in the world, the Serengeti National Park. Stopping to walk in the Olduvai Gorge, learn more about the early hominid findings of Louis and Mary Leakey and see the remains of early man, his artifacts and other fossilized prehistoric animals. Game view as you drive across the vast and pristine landscape seeing animals roaming freely just as they have for thousands of years. During the months of migration these seemingly unending plains contain huge numbers of wildebeest and zebra. In February through March these animals are concentrated at the
Ndutu and Salei plains where calving takes place attracting the attention of predators such as lion, cheetah, and hyena. In the summer months, the migration moves north wards towards the border with Kenya where it makes a daring surge across the Mara River. Your nights will be spent at a deluxe tented safari camp which follows the yearly migration, putting you in a prime wildlife location no matter when you travel. Overnight at Kati Kati Tented Camp or upgrade to Under Canvas Tented Camp. [BLD]

DAY S & 9: EXPLORING SERENGETI NATIONAL PARK
Without a specific schedule or route your game drives allow you to follow the rhythms of the limitless wildlife and witness the daily struggle between predators and prey. The “kopjes”, massive islands of granite standing in a sea of grass, provide shelter to a great variety of animals from the elusive leopard to the tiny dik-dik. Learn to track animals, paying particular interest to any species you have yet to see. In the evening there is the chance to help cook African camp specialties and gaze up at the brilliant blanket of stars carpeting the African sky. Overnight Serengeti Tented Camp. [BLD]

Optional Serengeti balloon flights are offered at an estimated cost of $495 per person (please reconfirm pricing with the program director for your specific travel dates).
DAY 10: DEPART OR BEGIN EXTENSION
Appreciate your last morning in the bush before a spectacular light aircraft flight over the plains of the Serengeti brings you back to Arusha. Relax in your hotel dayroom and enjoy dinner before you transfer to the airport to board your international flight loaded with enough African memories to last a life time. [BLD]

Consider extending your vacation with several nights on the exotic island of Zanzibar. Swim in the clear Indian Ocean waters, indulge in a myriad of sporting activities, experience the rich history and Islamic culture of Stone Town and sample native seafood, tropical fruits and island spices.
